<b>Problem Statement:</b>	In the blessed month of Ramadhan, most of us, Alhamdulillah, have plenty to have in Suhoor and Iftar. But there are many in our surroundings who do not have this privilege. A big population of India lives under extreme poverty, the need of this project is to make sure that the under privileged and poor people are not left behind in this blessed month of Ramadan and break the fast after fasting whole day like common people.	
<b>Project Summary:</b>  Objectives, expected results and main activities	<b>The concept</b>  Our goal is to get the community involved in supporting families in need during the Holy month of Ramadan. We want to create an outlet for people to “do good” during this month. We also hope that this project will create awareness on poverty issues among the general masses.	

	<p>The project aims to distribute Ramadan kits among needy families to provide relief during the Holy Month of Ramadan. The Ramadan Kit generally comprises grains, cereals and other food ingredients required to prepare food and iftar items such as sharbat-e-Rooh Afza, dates and snacks. The quantity of the ingredients and content of the Ramadan Kit varies as per the need of an individual. However, one Ramadan Kit is generally enough to feed a family for one month.</p> <p><b>Contents of a single kit:</b></p> <p>Rice, wheat flour, sugar, refined oil, tea powder, dates, and a bottle of sharbat Rooh-afza.</p> <p><b>Key Activities:</b></p> <ul style="list-style-type: none"> <li>• Beneficiary identification and assessment of requirements per family.</li> <li>• Procuring the items from wholesale vendors for the kits.</li> <li>• Distribution and reporting</li> </ul>
